

Case Coordinator

Calgary Clinic

(full-time)

OrionHealth is a company committed to integrity, innovation and best practices. Our Pain and Occupational Rehabilitation programs are accredited by CARF, the Commission on Accreditation of Rehabilitation Facilities.

The Clinics employ an interdisciplinary team of health care professionals (psychology, medicine, pharmacy, occupational therapy, physiotherapy and kinesiology) who offer evidence-based pain rehabilitation programs.

As employees, we enjoy a fun, dynamic and challenging environment that encourages professional development and career growth. Along with a competitive salary, OrionHealth offers excellent benefits and generous vacation time.

Reporting to the Operations Manager, and working within a multidisciplinary team context, the Case Coordinator is responsible for:

- coordinating client intake and communicating case manager expectations to the assessment team
- assessment orientation
- attending formulation meetings, tracking client schedules, time in program
- liaising with team leaders and occupational therapists
- communicating progress to referral source
- being the “go to person” for issues that arise in the program.

You will have:

- A diploma or degree in rehabilitation, social work or related degree or a combination of experience and education
- 2-5 years working in a team setting with clients
- experience working with contracts
- excellent computer and communication skills (customer service, conflict resolution, negotiation, problem solving)
- organization skills with an excellent understanding of scheduling.

Please apply in confidence to: employment@orionhealth.ca quoting position and location on subject line.

Closing date: March 31, 2010
